Movement Control Officers Course Course No:

Aim of Course	Outline of Syllabus	Remarks
---------------	---------------------	---------

To introduce Army officers, appointed to a UK HQ Movement Staff or Movement Control Officer post, to UK military movement in support of operations.

The course comprises formal instruction, visits, reconnaissance of transshipment points and a practical planning phase. The scope of the course is wide ranging covering the Defence movements organisation, operational movement planning as well as the role, capability and procedures of the Army movements capability. Aspects of air and surface methods of movement are studied during the course.

Rank Range	Entry Standards	Duration	Qualifications gained	Frequency
OF1-OF3	IELTS 6	2 weeks		2 courses per year
