

CORPORATE STRATEGY – “TOWARDS 2010”

STRATEGIC VISION

To be recognised as the leading Policing and Guarding organisation for the Ministry of Defence

AGENCY ROLE

Delivering effective Policing and Guarding as a part of the UK's Defence capability

AGENCY OUTPUTS

The Defence Management Board, the Police Committee, the principal stakeholders and all who work within the Agency are agreed that the main crime and security risks which the Ministry of Defence faces, are:

- terrorist attack and the threat of it
- disruption and disorder caused by protestors
- theft of key assets
- major financial fraud

We will combat these crime and security risks through the Agency's six key outputs:

- **Armed Security:** the capability to deter and to respond to an armed attack on Defence personnel and property.
- **Uniformed Policing:** the effective use of police powers to deter, detect and respond to crime and disorder.
- **Guarding:** the provision of unarmed guarding to Defence personnel and property.
- **Crime Investigation:** the investigation of crime that impacts significantly against Defence capability.
- **International Capability:** the contribution of specialist Policing and Guarding expertise in support of wider Defence and foreign policy objectives.
- **Policy:** contributing to Defence policing and guarding policy.

In delivering the outputs we will directly contribute to the Defence vision of being a force for good in the world. We will provide a policing and guarding service fit for the challenges of today, ready for the tasks of tomorrow and capable of building for the future.
