

## SENIOR RATINGS' ADVANCED COURSE

**Reference No**  
019/035

**Duration**  
5 weeks

**Location**  
PHOENIX  
CBRNDC  
Training Group,  
HMS EXCELLENT,  
Portsmouth

**IELTS**  
6

**Frequency**  
5/6 courses  
per year

### Aim of course

To prepare Senior Ratings drafted to ships as the specialist assistant to the CBRNDC Officer or as a specialist CBRNDC qualified Senior Rate. Additionally to expand the Damage Control and Firefighting techniques to enable them to plan, organise and undertake continuation training.

### Outline syllabus

#### Week 1:

- ◆ Firefighting organisation, Firefighting systems and equipment (1 day)
- ◆ Practical Firefighting (2 days)
- ◆ Sea Survival theory and practical drills (1 day)
- ◆ CBRNDC organisation, CBRN drills (half day)
- ◆ Practical damage repair (half day)

#### Week 2:

A thorough revision and updating of CBRNDC knowledge and experience through classroom lectures, theoretical and practical exercises.

#### Week 3:

CBRN classroom instruction, supervised syndicate work and student presentations.

#### Week 4:

- ◆ Advanced rescue procedures for removing injured personnel from a fire environment
- ◆ Special Firefighting techniques
- ◆ Dealing with explosive stores involved in ship fires
- ◆ Aid to another ship
- ◆ Continuation training
  1. First Aid Firefighting
  2. Hose Team techniques
  3. Search and Rescue techniques
  4. Breathing apparatus use, and control of wearers
- ◆ Fire prevention

#### Week 5:

Final lectures on CBRN, culminating in CBRN and other practical assessed training, to enable the CBRNDCQ to train, umpire and plan the CBRNDC training requirement for his ship
