14-09-2009-170126-002	09/10/2009	Information about Chemical and Biological munitions tested at the Burry Estuary, near Penclawdd on the North Gower Coast.
14-09-2009-170622-003	09/10/2009	Please forward a copy of the response issued to FOI 07-08-2009-163658-003 04/09/2009 'Details of MoD's recruiting and advertising budget for overseas and Commonwealth activity, broken down by country, for 1997 and every year thereafter.
14-09-2009-172926-003	12/10/2009	Request for a breakdown of current and future 'Engineering' service leavers from the armed services, in the following skill areas: Mechanical Engineers, Electronic / Electrical Engineers, Maintenance Engineers, Software Engineers, Support Engineers, Other Engineers. Requestomg information to see if this group of 'Engineers' could be able to satisfy some of our current and future vacancies, from a point of view of vacancies for people with Air, Land or Sea Engineering backgrounds.
14-09-2009-173639-004	12/10/2009	Request regarding Operation Banner in Northern Ireland, how many civilian deaths occurred as a result of incidents involving military vehicles/installations ie. VCPs? If such data is available please could you provide me with a monthly (or annual) breakdown of the figures - or, better still, dates, names and places of such incidents as that is what I am currently researching. Info about article in Northern Irish newspapers since August 1969.
14-09-2009-174410-004	12/10/2009	7Qs about overpayments

Case Number	Date Due	Request Summary
14-09-2009-175928-004	12/10/2009	Request details of correspondence sent to and by Prince Charles to each minister in your department between September 1 2006 and September 1 2009, including letters, emails, faxes and any other forms of correspondence. For each correspondence, list the recipient, sender and date. Copies of correspondence listed above between ministers in your department and Prince Charles between September 1 2006 and September 1 2009, covering correspondence both received and sent by ministers in your department, to and from Prince Charles. Previously requested similar information for an earlier period, between September 2004 and April 2005.
14-09-2009-181059-005	12/10/2009	Requesting further information: (i) Performance management A copy of the present version of Chapter 14 of the Personnel Manual. The 'Improving Work Performance' equivalent of the 2006 document headed 'Chapter 14 - Unsatisfactory Work Performance' and should include all the annexes. I am concerned to establish the role of the 2RM in cases where action which might possibly result in dismissal is initiated by the 1RM. (ii) Dismissals statistics. From sources in the Met Office the total of 27 people you mention, at least 17 have been dismissed in 2009 alone. Please confirm that this information is correct or, if not, provide the actual figure.
15-09-2009-092949-001	12/10/2009	Who agreed to CDS contract extension? How many of current Govt and MPs have sons or daughters serving in Iraq or Afghanistan?
15-09-2009-103332-001	12/10/2009	Low Flying Helicopters
15-09-2009-123712-002	12/10/2009	Three questions: (1) Provide full details of the military units deployed to Rwanda in 1994, ideally, unit name (at company/ squadron level), number of troops and dates of deployment. (2) On what date was the order to deploy troops to Rwanda given to the MOD in 1994, and on what date did the first troops arrive in theatre? (3) At any time in 1994 was the MOD asked to consider whether radio stations in Rwanda could be jammed or destroyed? And if so, what response was given to this request?
15-09-2009-130509-001	07/10/2009	Request about the new Queen Elizabeth Class
15-09-2009-131853-001	01/10/2009	Info regarding the RFA and subsequently any information you have regarding the future MARS building programme Info on who has won the contract from the four tenders to build the new replacement ships for the future.
15-09-2009-163904-001	13/10/2009	Is there another department that the pictures from Pitreavie and the results of the vu-foils from Jaric would have been passed to if they did have a defence significance?
15-09-2009-164319-002	13/10/2009	Government commissioned studies analysing the financial savings and costs associated with cancelling, delaying or reconfiguring replacement of any part of the Trident nuclear weapons programme, including any changes to its operational procedures. The Trident nuclear weapons programme includes submarines, warheads, missiles, bases, procurement, staffing, security and co-operation with the US. Costs should include operational costs, procurement and decommissioning costs. Who commissioned any such studies, the terms of reference and the authors of these studies. Please send a summary of the studies, full copies of the studies, as well as all correspondence relating to these studies, including copies of material in the form of paper and electronic records including emails.
15-09-2009-165208-003	13/10/2009	Prior to embarking on the current military foreign policy in Afghanistan, did senior military figures take into account any historical reports?
15-09-2009-170023-002	29/09/2009	1. What was the cost of developing, running and managing the Met Office website, during the financial years 2006/07, 2007/08, and 2008/09? 2. Can I have a breakdown of what these costs were for? 3. How many members of staff manage the Met Office website? 4. What are the job titles, and job descriptions for these staff?
15-09-2009-170539-001	13/10/2009	Request for the effects of a jet aircraft upon the weather and would like to see weather satellite images of Britain which were produced on 11/09/2009 and 12/09/2009 which show the contrails produced by aircraft. Also, whether the Met Office takes aircraft contrails into consideration when forecasting the weather, since sometimes it seems that the sky is just covered in the exhaust vapour trails from aircraft.

Case Number	Date Due	Request Summary
