Case Number	Date Due	Request Summary
12-10-2009-095754-001	05/11/2009	I would like to know if my MP Dari Taylor was on the procurement committee that was responsible for the purchase of any US Helicopters in which the software was unsuitable for UK use? I believe that the Chinook and Apache helicopters both had this 'problem'. I would also like to know if my MP Dari Taylor went to the USA prior to the contracts being placed for the Chinook and Apache helicopters.
12-10-2009-095946-001	29/10/2009	Next up to date noise survey will be carried out for RAF Coningsby and surrounding areas following the introduction of the Typhoon. It is felt that noise levels have increased significantly over the past year as they circle right around the street I live on. The last survey that I can find is for the Tornado in 1992. Supply any relevant information as to the next one as quite often even with all windows shut you can sometimes not hold a conversation with the person in the same room.
