**BOARD OF INQUIRY INTO THE HOUSE FIRE AT 15 ANNE'S CLOSE RAF AKROTIRI ON 17
MAR 07
DISCLOSURE OF INFORMATION TO THOSE WARNED UNDER QR 1269 AND 1269A**

1. You will be aware that during the Board of Inquiry into the house fire that tragically claimed the lives of Cpl Andrew Greenough and his children [REDACTED] and [REDACTED] you were warned under the provision of QR 1269.
2. As you should know the purpose of this provision is to protect you should anyone interviewed by the Board make any statement that might be construed as calling into question either your character or professional reputation.
3. You will be pleased to hear that the Board has completed its investigations and the report will shortly be presented to CBF as the Convening Authority for his comment. However in accordance with the regulations¹ you now have the right to read Part 1 of the report. Should you believe your character or professional reputation has been impuned, you can raise any comment you believe relevant to CBF before he makes comment on the findings and decides whether or not to release you from the QR 1269 warning.
4. I must stress that since the report is not complete until such time as both CBF and the reviewing officer at Air Command have added their comment it can not be disclosed to any other parties including NOK. Therefore, if you decide you wish to read it before CBF adds his comments you will be asked to sign a statement to the effect that you will not disclose the contents. This is a routine procedure designed to ensure that the coroner and NOK will be first to see the completed document without the possible distress of leaked conjecture.
5. **Action required:**
 - a. Should you wish to read Part 1 of the Board of Inquiry report simply sign the attached Annex A to that effect and arrangements will be made for you to read it in a controlled environment with either a member of the Board or of HQ BFC J1 present.
 - b. Should you not wish to exercise your right to read it please sign Annex A to that effect.
6. Any queries should be directed to the undersigned.

DISCLOSURE OF BOARD OF INQUIRY REPORT TO PERSONS WARNED UNDER QR 1269 & 1269A.

PART A

I am [redacted] (No Rank Name)

of Coast Air Force Helicopter (unit). I hereby confirm that having been warned under the terms of AP3392 Vol 4 Leaflet 1507 as a person whose character or professional reputation might be affected I have now been offered the opportunity to read part 1 of the Board of Inquiry report BFC/BOI/2/ORG.

I confirm that I do / ~~do not~~ wish to exercise my right to read it.

Signature [redacted] Date 8 Aug 08

Witness Signature .. [redacted] Date 08 Aug 08

PART B

Having had the opportunity to read the report I wish / ~~do not wish~~ to make a statement as follows:

P.60-9.9 The delivery of fire and rescue services at RAF Abingdon is no different to any other RAF Stn in the UK but manned by TAG Fts alone or on a mixed section (Northolt / St Athan). Whilst Cyprus is in a slightly smaller scale, it would be the same as a DFRMS Cpt the having direct C2 capabilities over individual units - this is not the case.

Statement of [redacted]

[redacted] stated that he instigated a Watch system which will enable a greater working cohesiveness and team building. This is at variance with the actual sequence of events in that [redacted] and myself initiated the change in shift pattern whereas [redacted] was opposed to its being implemented at that particular time.
