Notes:

1. This table applies to Officers and Other Ranks and an accrual rate of 1/70 should be used when calculating the service credit for both
2. When calculating the deduction for GMP, the factor given should be applied to the sum of the GMP amount in respect of service up to 5 April 1988 and **25%** of the GMP amount in respect of service after that date
3. These factors should only be used for members of the AFPS 05
4. These factors should **not** be used for Medical and Dental Officers or members of RFPS
