Overview

Support at the high-level Trafalgar 200 events at HM Naval Base Portsmouth and the G8 Summit in central Scotland.

Operation Toga, the project to reinforcement security in and around Whitehall after the July 7th bombings was successfully implemented.

Communications were improved with the sign up to Airwave Radio, the national radio infrastructure for all emergency services. Airwave enables control room staff to maintain digital (encrypted) radio communication with all MDP staff anywhere in the UK.

The training centre at Wethersfield is now fully accredited with the awarding body Edexcel and boasts facilities of an extremely high standard. The centre now caters for the training needs of the agencies police and guards.

The agencies work abroad continues unabated, training police in Iraq and continuing to hold a firm presence in Kosovo.
